

BOX OF LOVE

Dear “Box of Love” Partner,

Here’s How You Can Help

1. Participants can take a box and an “Important Instructions Enclosed” envelope, then return the box filled with the menu items and the \$8.00 check that helps offset a portion of the costs associated with containers, handling and delivery. (Families with children may want to do this as a good lesson and experience for their family.)
2. Make a financial donation of any amount, and here’s how we TRIPLE your money: because of thousands of volunteers, donations of food, and bulk purchasing throughout the year, every \$25.00 enables us to serve the equivalent of 3 families for the same amount you spend to help 1 family. People who make a financial donation may pay with cash, checks made out to Canning Hunger, or most major credit cards.

Please try to fill all of the boxes. We have commitments to families based on how many boxes have been ordered. You will be contacted to arrange a pick up date that is most convenient for you.

Serving others with your help,

Dr. Norm Whan
Founder, Canning Hunger

TIPS

You should order about 25% more boxes than you believe you will fill. It normally takes 125 boxes distributed to get 100 boxes back.

The best results seem to come from groups that pass out boxes for 2 weeks and collect boxes for 2 weeks. More time, and the people will lose interest.

Think creatively – you may want to use high school students, college students, singles, and other natural groups as volunteers.

Make a colorful display on tables for distribution with the boxes and the contents.

Put signs out and identify drop-off locations to make the return easy for your members.

Make a “wall of love” when the boxes come back for everyone to see and celebrate.

Select reliable people to process the boxes, materials, and checks.

Call your local newspaper and T.V. stations to share your project.

Report the results and have a time of celebration with your entire group.

DISTRIBUTION OPTIONS

Option 1: Distribute boxes through Canning Hunger.

Option 2: Distribute boxed to individuals or groups that you know who are in need.

NOTE

If you choose to distribute some of the boxes on your own, you can still have Canning Hunger pick up the remaining boxes.

IMPORTANT PROCESSING PROCEDURE

One of the most helpful things you can do for us is to process each box. When the boxes are filled and returned, assign someone to remove the envelope, the checklist, and the check made out to Canning Hunger. Leave the “This Box Filled With Love By” card in each box.

We have over 100 wonderful groups, just like you, who are serving this year and it would mean a lot if you could help this way.

Put the “Box of Love Results Form” and all other receipts and information in this same envelope and give it to the volunteer that picks up the filled boxes. If it is not possible to gather the checks and cards, please let your volunteer know so they can perform that task when they pick up your generous donations.

THANK YOU!
